

## WILL MAKE SECOND VISIT TO CAPITAL

Star of "A Certain Party" Much Pleased Over the Prospect.

"Washington? I am pleased to know that we are going there," said Mabel Hite, in commenting on her forthcoming appearance at the Belasco Theatre as the star of the new musical farce, "A Certain Party." "Do you know, I have been in Washington only once in my life, and I shall be glad to go back. I want to know theater-goers there better."

Curiously enough, Washington is about the only city of its size in the country where Miss Hite has not appeared frequently enough to have acquired a following.

"And I hope they will like my new farce," she continued. "I think they will, too, because it has to do with certain things which come pretty close home to everybody interested in politics; and, of course, they know all about politics in Washington."

Then, too, I assume, or pretend, if you please, to solve the servant problem, and you know that is one of the burning questions of the day—in Washington as well as elsewhere, I suppose. It still continues to be one of the absorbing topics of conversation at bridge whist, and is largely responsible for that provoking inquiry, 'What's the trump, please?'

"Of course, there is nothing serious in the way we take up those things—it's all farce comedy, with some music and pretty girls to help me out."

"Yes, I shall be glad to go to Washington. And President Taft—didn't I read somewhere that he is a real baseball fan? Well, I'm bringing a real champion with me—my husband—and she smiled proudly on 'Mike' Donlin, who used to lead the National League battlers, but now has a part in the company."

Mabel Hite's career began in farce. Hov's "A Milk White Flag." Then she spent some seasons on the road. She first became known to New York in an important role in "A Venetian Romance." Then she went into vaudeville with Walter Jones, now comedian of "Baby Mine." Her work in vaudeville gained for her the leading comedy role in "A Knight for a Day," in which she made a great hit. Then she became co-star with Raymond Hitchcock in "The Merry Go Round." Her success in "A Certain Party," originally a comedy, but made over into a musical farce for her present use, followed.

### Look For Lively Times At Mt. Rainier Election

Indications are that the newly incorporated town of Mt. Rainier, in Prince George county, will have a lively election May 3. The present mayor, Robert E. Joyce, is opposed by two other candidates, E. S. White and J. T. K. Plant. There are four candidates for the two places to become vacant on the city council.

### Hear Captain Knight Wins in Court-Martial

NORFOLK, Va., March 18.—Although none of the details or the recommendations in the court-martial findings of Capt. Austin M. Knight can be learned, it is understood the officer has been acquitted of the charge of neglecting his duty in preventing the sinking of the Puritan, following explosive tests. Members of the court have signed their verdict.

The feast of St. Joseph will be commemorated with solemn service on Sunday by the members of St. Joseph's parish. The novena in honor of the saint will be concluded with the 9 o'clock mass, and solemn high mass will be intoned at 10:30.

### "It's a Poor Job" Says Policeman, As He Quits

## LAUD ST. PATRICK IN ALEXANDRIA

Crowd Fills Hall to Hear Program Arranged by Hibernians.

WASHINGTON TIMES BUREAU, ALEXANDRIA, VA., MARCH 18.—A capacity audience attended the annual observance of St. Patrick's Day by the Alexandria Division No. 1, Ancient Order of Hibernians, at the Young Men's Sodality Lyceum Hall last evening. The principal speaker was the Rev. Father A. P. Doyle, of the Catholic University of America, who spoke on the life and deeds of Ireland's patron saint.

M. J. McFarland of the local Hibernians delivered a short address, taking for his subject, "Our Order." Music and recitations formed the other parts of the program. A section of the boy choir of St. Paul's Catholic Church of Washington, under the leadership of Prof. Ernest Winchester, sang a number of pleasing Irish ballads.

The funeral of Charles M. Cuvillier, who died at his home, 314 Prince street, Thursday, will be held at 3:30 this afternoon from St. Mary's Catholic Church, the Rev. Father Kelley conducting the services. He will be buried in St. Mary's Cemetery.

Funeral services for Miss Margaret D. Williams, who died yesterday, will be held from her late residence, 1139 Prince street, Sunday afternoon at 3 o'clock.

Announcement is made of the marriage in Alexandria last Monday evening of A. J. Hildebrand and Miss Ella M. Moore, a young Washington couple, at the parsonage of the Rev. W. F. Watson. They returned to the Capital immediately after the ceremony, where they will live at 112 Sixth street northwest.

The friends of Louis B. Monroe, who was operated on for appendicitis at Alexandria Hospital yesterday, will be glad to learn that he is doing nicely. The operation was performed by Dr. Fubaney, assisted by Drs. Smith and Yates.

A deed was recorded in the office of the clerk of courts this morning, conveying the property on the south side of Link, between Alfred and Patrick streets, from Charles O. Pullman to George W. Meade.

From later developments it appears that the tax rate is not yet settled. When Mayor Paff was about to sign the law passed by the city council in joint session he discovered that both bodies cannot pass a provision of this nature on the same night, rendering it necessary for the lower body to vote on it again.

### Odd Sum of Money Is Police Report Hoodoo

The sum of \$14.41 figured conspicuously on the police reports today.

W. Stokes Sammons, a dealer in window shades at 724 Eleventh street northwest, said he gave one of his clerks \$4 last Wednesday to pay a bill of \$14.41. The clerk has not been seen since. A warrant for his arrest was sworn out this morning.

The store of M. Finkler, 35 Seventh street northwest, was entered last night by means of a duplicate key and watches, revolvers, and razors, valued at \$41.11, stolen.

The police are wondering who will be the third victim of the \$14.41 hoodoo.

## ROCKVILLE PASTOR UNITES VIRGINIANS

Mr. and Mrs. Whitlock Visit Washington After Ceremony at Rectory.

ROCKVILLE, Md., March 18.—Aubrey M. Whitlock and Miss Carrie C. Brannan, both of Broadway, Va., were married in Rockville yesterday afternoon by the Rev. Thomas J. Packard, rector of Christ E-copel Church, the ceremony taking place at the rectory. The young people were unaccompanied, and left for Washington immediately after the ceremony.

Judge Edward C. Peter has drawn the following persons to serve as jurors at the March term of the circuit court for Montgomery county, in the places of others previously drawn, but excused: Poolsville district—James E. Trundle and Byron W. Walling, in the places of Charles W. Elgin and Luther R. Cruitt. Coleville district—Robert H. Miller, in place of Brown L. Clasel.

Darnestown district—James A. Broome, in place of James H. Jones. Olney district—Allan Farquhar, in place of Samuel Leizer.

Barnesville district—Robert L. Young, in place of Reginald J. Darby. Damascus district—John B. King, in place of Adam L. Bollinger.

Much interest is being manifested in the public school circles of Montgomery county in the Warner oratorical contests, which will again be held among the boys pupils of the county. Mr. Warner has notified the public school commissioners that he will offer the usual prizes.

On April 28 there will be contests in the schools at Laytonville, Clarkburg, Rockville, Poolsville, Coleville, Darnestown, Sandy Spring, Gaithersburg, Potomac, Barnesville, Damascus, and Kensington, to be open to representatives of one and two room schools only. The winners of these contests will participate in another contest at Rockville the morning of May 23, on which day there will also be a contest among representatives of the larger schools in the county. First and second prizes in each contest will be \$10 and \$5 in gold, respectively.

Mr. Warner has arranged for essay contests among the girl pupils, the prizes to be the same as in the oratorical contests.

One of the essay contests will be open to girls of the seventh grades and above, and the other to representatives of the schools at Rockville, Darnestown, Sandy Spring, Poolsville, Brookeville, Gaithersburg, Bethesda, Kensington, and Woodside. But one essay will be selected from each school. The subject for the first contest will be "The Public Schools," and for the other "Universal Peace."

A chapter of the Daughters of the American Revolution has been organized among the young women of Chevy Chase School. It is called the Pulaski Legion.

### Arrested on Charge of Kidnaping Her Sister

Because they are alleged to have induced twelve-year-old Estelle Arrington to leave her home in Madison county, Va., and come to Washington and live with them, at 1812 L street northwest, the child's sister, Frettie Arrington, and her brother-in-law, Luther Twyman, colored, were surrendered to the Virginia authorities this afternoon on an indictment charging kidnaping. The child was taken as a witness.

## ALLNUTT'S VICTIMS SHOW IMPROVEMENT

Slayer of Sister Backed in Fight Against Gallows by Brothers.

ROCKVILLE, Md., March 18.—Mrs. Margaret Allnutt and Miss Jane Rawlings, who were seriously injured when Richard W. Allnutt attacked them Tuesday and killed his sister, Mrs. Valeria Veris, are said today to be rapidly improving. Unless complications, due to their advanced ages, for Mrs. Allnutt is eighty years old and Miss Rawlings sixty, appear, there is every hope for their recovery. They are still at the family home, in Dawsonville, where the tragedy occurred Tuesday.

Allnutt remains silent in his cell at the Rockville jail. All of his brothers will stand by him in his fight against the gallows, for they believe him mentally unbalanced. Those who will not aid Allnutt in his fight are more distant relatives, some of them connected with the family only by marriage.

Allnutt's wife, a bride of about three months, is his constant companion at the jail. Then, too, many of his friends have called on him there. Outbridge Spates, Allnutt's attorney, has announced that the defense will offer will be that the man is insane. It is said that another lawyer has been retained to aid in Allnutt's defense, but his identity has not been divulged.

## Blood Poison 30-Day Treatment FREE

Remarkable Results Produced By New Vegetable Treatment Without Use Of Mercury or Potash.

The terrible results of mercury and potash on blood poison are well known. The most these drugs can do is to drive the blood back into the system and another it for several years. Then when you think you are cured, pitiful mercury symptoms often break out, and you find that your bones have been rotting all the while. Your teeth may begin to loosen and your tissues, glands, brain and vital organs show the terrible destructive power of the mercury and potash. Locomotor Ataxia, Paralysis, Imbecility and Premature Death are then almost inevitable. Medical authorities admit that this is so. The remarkable new treatment, called the Obbae Treatment, is purely vegetable, containing positively no mineral poison whatever, no mercury, potash, narcotics or opiates. It has produced remarkable changes in only 30 days. Treat yourself privately at home, and become as free from taint as a new-born child. The wonderful Wasserman Test, the only blood poison test known to scientists, has proven that a man has been completely purified by the Obbae Treatment. Don't spend months and years of your precious life, and destroy your health forever by taking mercury and potash which doctors commonly prescribe. Write today. Send your name and address and complete description of your case to the Obbae Co., 1297 Obbae Bldg., Chicago, and they will send you at once in an absolutely plain, firmly sealed package, a full 30-day treatment absolutely free.

Winter washdays cease to be a nightmare when the clothes are washed with Fels-Naptha in lukewarm water.  
In the first place there's no boiling.  
Fels-Naptha makes the clothes cleaner and whiter and sweeter without it.  
No hot water is used and there's no steam to fill the house and give your people colds.

### Anty Drudge on Nightmares.

Mrs. Neverrest—"Can't one have some awful nightmares, Anty. I did a big day's washing yesterday—it took me all day. And last night I dreamed I was on an island in the midst of a big lake of boiling, steaming, dirty clothes, and I had to wash every one of them. Mercy! What a headache it has given me."

Anty Drudge—"No wonder it gives you a nightmare and headache, the way you do your washing, boiling and hard-rubbing all day. After this use Fels-Naptha in lukewarm water, without boiling or hard-rubbing, and you will be through so early that you'll forget it before night and won't have any nightmare or headache."

You've no steaming suds to bend over; no nauseous odors to inhale. Your hands are not reddened and chapped by putting them in hot water and then exposing them to cold air.

But, best of all, the work is made so much easier and doesn't take half as long. Washing with Fels-Naptha, you can begin after sun-up, even on the shortest winter day, and be done well before noon.

Use Fels-Naptha not only for the white clothes but for flannels, woollens, colored things.

Be sure to get the genuine Fels-Naptha—don't trust imitations. And follow directions on the red and green wrapper.
